Unauthorized Access to an Email Account at Our Group Company in Malaysia

We confirmed that, on September 17, 2026, an email account used by an employee of Taikisha Engineering (M) Sdn. Bhd., our group company in Malaysia, had been accessed by an unauthorized third party. We also confirmed that, on the same day, suspicious emails were sent from the account to certain recipients within Indonesia.

We are currently investigating the cause of the incident and assessing the scope of its impact. At this time, no specific damage resulting from this incident has been identified.

If you receive any suspicious email purporting to be from us or any of our group companies, please refrain from opening any attachments or accessing any URLs contained in the email, even if the sender appears to be a representative of our group, and delete the email immediately.

We take this matter very seriously and will continue our efforts to prevent any further impact, strengthen our information security measures, and prevent recurrence.
